WHO WE ARE

Our story

Our story began in 2001 with big dreams and ambitions of growing alongside our clients, who have become our partners in success. Our goal was not only to build a business but also to establish long-lasting relationships with our customers, providing them with a comprehensive range of services that meet their business requirements.

After more than 25 years, ABS Courier is now a one-stop service provider, offering customized solutions such as **last-mile delivery, warehouse and fulfillment, cross-border solutions, reverse logistics management, mail room management, and more.**

We are proud to have the largest network in Egypt with 40 branches, making us the preferred choice for strategic e-commerce partnerships. Through our strategic partnerships, we have also established a direct international presence in over 12 countries, with complete access globally.

WHAT DRIVES US

Mission, vision & values

Mission

Deliver high-quality service through skilled and trained staff to ensure customer satisfaction and foster business growth.

Vision

To become the leading Egyptian logistics provider, offering customized solutions and establishing a global presence.

Values

Respect: Treating everyone with courtesy.
Teamwork: Together, we can achieve more.
Quality: Having the right people with the necessary experience.
Passion: A driving force for success.
Improvement: Striving to enhance every day.

A message from our leaders

Mohamed El-Demerdash

Chairman

For us, logistics means responsibility. As a leading logistics service provider, ABS embraces this responsibility by constantly focusing on modernizing and enhancing our resources and services. Our goal is to provide you with tailored logistics services that not only meet your satisfaction but also benefit your business and support its growth.

Thank you for your partnership and trust in our journey toward a better future.

Shadi Louis

CEO

We believe our mission is to empower businesses by removing complexities. We achieve this by combining a robust network and cutting-edge technology with a dedicated team that treats your business as their own.

We are actively investing in the future to ensure we remain aligned with our clients' needs, and we stay deeply committed to supporting your business today and in the years to come.
